April—May 26

A MESSAGE FROM THE PRESIDENT

I would like to begin by thanking our Vice President Shannon Britten, for managing most club matters in my absence while I have been working in Exmouth over the past three weeks. Shannon's leadership and reliability during this time have been greatly appreciated.

While in Exmouth, I experienced the full force of Cyclone Narelle. Perth and Guilderton can be very glad that it changed course and they did not get the brunt of it, it was truly an incredible and humbling experience to witness the sheer power of a cyclone firsthand. My thoughts are with the residents and businesses affected, and I extend my sincere sympathies as Exmouth begins the process of recovery and rebuilding.

MANAGER'S MESSAGE

Hello to all. I hope this email finds you well.

We've all been keeping busy here at the Club. The club held a Busy Bee last weekend where volunteers come in to work through the venue. It's always great to see our committee, community and volunteers dedicate their time to make things better for you all. Thankfully the rain kept away!

It's nice to see so many new members coming into our club. With lots of new monthly events planned, my vision of bringing our community together is moving forwards.

Some events to look out for in April are :

Bingo on 9th & 16th. Be sure to book. Cooky makes this event enjoyable for all ages. Well worth joining us.

Boots & Beats - our first ever line dancing class on the 11th.

Craft & Community on the 18th. This time it's pendant making. Welcome drink and nibbles included in price. Paint & Sip was a blast. Make sure you join us for this session.

Saving the best to last is the return of the **Grand Master Rock Quiz**. It's back, it's big, and its brain teasing. **The GRANDMASTERS ROCK QUIZ – 18 APRIL**, with Quizmasters Wil & Pete, lots of prizes, cash and giveaways, and the Rock Quiz live band. Plus the sought after almighty grand prize of an adorned gold trophy, and bragging rights until the next Rock Quiz. **BOOK NOW**

Our **ANZAC Day** traditions continue. Detailed information regarding the day to follow.

For all these events, be sure to book. Places are limited and will sell out fast.

Pool Comp is always a great evening. \$10 entry with the winner taking all. This is a great evening where you see what an amazing community we have on these nights. It's also good to see that some of our volunteers won the Lucky Number. How well deserving is that! Locals winning our weekly meat raffle, as well as some lucky tourists.

We recently had Jason Ji perform here at the Club. The audience was mesmerised by his music. He is a very talented young man and has an amazing career ahead of him. We have an AMAZING country artist booked in for Saturday 27th June. I'm keeping that name under wraps for now and will let you know who it is in May. If you love your country music, you will have heard of this artist, and you sure need to get your ticket quick!

Next month, we will also be launching our Winter Menu. We will send that out to you when it goes live! Our wine list is changing to include some new tastes. Our coffee machine is keeping us busy with your favourite Irish Coffee being popular for after your meal. A new cocktail, beer & spirits menu will be launched next month too.

Please keep an eye out on our social media, as this is where your daily specials are advertised along with any special events. Well, I think that's it from me for now. Until next time, I wish you good health and happiness. We look forward to greeting you at the club very soon.

With gratitude, Lynne

GOLF CLUB NEWS

GUILDERTON GOLF CLUB

The course continues to look a picture! The fairways are well covered, a good percentage of the new trees are growing and the course is well manicured and kept tidy. Great work by our volunteers and workers. As always, we are so indebted to Richard Prince for the excellent work he does in developing and maintaining the retic. Ron Jones keeps up with all the work that goes with the bores, Andrew McKean is always busy around the course, Kevin Malone is on top of all of our machinery and course work and Bob Johnson is a tireless worker with general course work, development and watering the trees. And of course, Joel Collins, among other things, does a great job mowing fairways and tee boxes which are looking superb!

We can't do without our volunteers and they work together so that our course looks as good as it does. SO MUCH APPRECIATION TO YOU ALL!

END OF SUMMER SEASON AND SUMMER CUP WINNERS

A feature of our summer golf season drawing to a close is the Summer Cup. This year's event proved very interesting all the way up to the last round.

In the Ladies Summer Cup, Jenny Schaeffer came home with an excellent 36 points on the last round to just pip Lynn Malone who unfortunately has been out of action since February due to knee surgery. There were a number of ladies in the running with Lynn leading all the way until Jenny's well timed run in the last round.

WINNER: Jenny Schaeffer 72 points total RUNNER UP: Lynn Malone with a total of 70 points.

Bob Johnson held a two shot lead going into the last round. Phil Flavell would need a huge last round to come over the top of Bob. Bob held his nerve and played steady and consistent golf to take the Men's Summer Cup.

WINNER: Bob Johnson with a total of 72 points RUNNER UP: Phil Flavell with 69 points.

EASTER FUNDRAISER

Easter Fundraiser - Saturday 4th April 8am – 12 noon

We are very thankful for the support from our members and the Guilderton and local communities.

Bric-a-Brac stall, donations (contact Bob Johnson 0417 186 805 or Ian Hastings 04298 842 090). We will even collect them from you!

Freshly baked items are ALWAYS a hit! Lynn Malone (mob: 0427 300 470) is coordinating the cakes, slices etc stall.

Golf Hole in One will take place on the first hole. Players will hit down to the first footgolf hole. Wow, so easy and a very simple way to pocket the \$100 cash prize!!!!It only costs you \$1 a ball!!!!

And for the younger ones (under 14), they can try their luck to get a hole in one at the footgolf hole with a soccer ball. \$1 per ball and you can win a \$50 Kids Gift Card. Just be first in with a hole in one.

We are trialling something different, a bit of fun and hopefully will help our fundraising!!!

GOLF CART STORAGE SHED NOW COMPLETE

Our golf cart storage shed extension is now complete. It is such a professional job but would not have been possible without the management, overseeing and labouring of Bob Johnson. A HUGE thanks to Abe Wright, Rick Rogers, Ron Jones, Kevin Malone and Andrew McKean for their work with the shed.

With the completion of the extension, we held a busy bee to clean out the original shed, reorganize the existing carts and spruce everything up. A huge thanks to Ron Jones, Kevin Malone and Bob Johnson for taking on this task. All the carts are now neatly placed in the clean sheds.

And the best news of all, more of our current active playing members can store their carts on site in the shed.

Well done everyone – your efforts are VERY MUCH APPRECIATED !

GOLF CLUB NEWS

WINTER FIXTURES

The winter fixtures are almost locked in and will be available on the website and GCC notice boards very soon.

GRASS GREENS FEASIBILITY STUDY

Nothing new to report at this stage, no decision has been made as yet.

BUT we are still collecting information – a couple of Feasibility Study Sub Committee members have met with the Lancelin brains trust finding out about their process, work load and commitments and the dos and don'ts from their experience. We are also excited about the amount of SPECIFIC expertise in our own community. A number of people have come forward with specific experience and expertise and its proving invaluable in our decision making process.

It's a slow process BUT, IT'S A BIG DECISION TO BE MADE.

KITCHEN UPDATE

We're excited to share that Stage 2 of our kitchen upgrade is now complete, and we now have a brand new pantry/dry store accessible directly from the kitchen.

A huge thank you to our amazing team of volunteers for their dedication and hard work in bringing this project to life. Chef Clare and her kitchen team are loving the new space and the improvements it brings to their workflow.

After a short break, we'll be gearing up to begin Stage 3. Here are a few before and after pics !

COMMUNITY STORIES

GUILDERTON COMMUNITY LIBRARY celebrates 20 years in July 2026

A very special milestone for our district — the library's 20th anniversary!

Over the past two decades, the library has grown into more than just a place for books; it has become a hub of connection, learning, and community spirit.

We will be celebrating this milestone on 4 July and as part of that we're inviting residents, visitors, and past community members to share their stories.

What first drew you to our town and district?

What favorite memories do you hold of time spent here whether in the library itself, at community events, or simply enjoying life with your family and friends?

We would love to gather these reflections into a shared collection that honors the heart of our community. Your stories, whether about a treasured family tradition, a moment of discovery or the friendships that blossomed here will help us celebrate not only the library's journey, but the people who make this district such a welcoming place. Together, let's mark 20 years of memories, and look forward to many more chapters still to come. You don't need to be a library member to contribute, we would love to hear your stories.

More details of activities will be confirmed closer to the date.

The best part of memories is making them!
And we would love to hear yours!

Please send to: guildertonlibrary@gmail.com before the 30 May please.

Thankyou
Madeline

AN AUTUMN TALE

A bright autumn afternoon at the country club set the stage for a most entertaining round of golf ! The leaves were glowing gold, the breeze was gentle, and absolutely nothing could go wrong—until Kev the Eagle whisperer stepped up to the tee.

Kev's opening drive was a masterpiece of chaos. It launched confidently and then veered so sharply left it appeared to be actively avoiding the fairway. The ball disappeared straight into a tree hollow !!

Naturally, Bob the Birdie Hunter marched over and stuck his entire head inside the trunk.

"Found it!" came his echoing voice. **"Is it playable?"** someone asked. "Only if I become a marsupial," he replied.

Inside the hollow, faintly scratched like a secret message from the golfing gods, was the number 37—which Bob insisted was a sign. Others suggested it might be the number of golf balls the tree had eaten over the years !!

After extracting both himself and the ball, Bob the Birdie Hunter declared the incident golf defying logic and he and Kev The Eagle whisperer led a determined march to the 19th hole.

The group settled in for what became an enthusiastic "debriefing session." Someone joked that Kev's shot had travelled 37 metres sideways and someone else claimed the tree was 37 years old.

Between the golden leaves, the questionable golf physics, and the lively storytelling at the bar, it was one of those days that reminds everyone why the club feels like a second home.

And if **37** happens to be your lucky member number this week, you're officially part of the legend—just try to keep your golf balls out of the trees !!
